ONLY 82 YEARS OLD

"I am only 82 years old and don't expect even when I get real old to feel that way as long as I can get Electric Bitters," says Mrs. F. H. Brunson, of Dublin Ga. Surely there's nothing else keeps the old as young and makes the weak as strong as this grand tonic medicine. Dyspepsia, torpid liver, inflamed kidneys or chronic constipation are unknown after taking Electric Bitters a reasonable time. Guaranteed by Wm., Gallaher druggist. Price 50c.

OUR DOB.

We are sorry to report the death of Mr. Jim Kelley. He died last Friday, and was buried at Scotts Hill, Saturday. We extend our sympathy to the bereaved family.

Rev. Harwell preached at Scotts Hill Sunday.

Miss Lula McDougal has been having chills for the past week.

Mr. Robert McDougal and sister Miss Maud, went to Pleasant Ridge the first Sunday in this month.

Messrs. Sammie Stanford, and Charlie Shook, were at Mr. W. W. McDougal's Sunday.

Mr. W. W. McDougal visited Mr. McMasters Sunday.

A certain blue eyed girl looked and Sunday. Cheer up Blue Eyes he will be there next Sunday.

A large crowd from this vicinity went to Lawrenceburg the Fourth. They all report a nice time except one little boy who said he would have enjoyed himself better if he had bought a watermelon.

Messrs. Edgar White and Hearty Green were seen at Mr. Tittsworth's a few Sundays ago.

Misses Mandy and Maud McDougal visited Mrs. McMasters Tuesday.

Mr. Morris was buried at Scotts Hill, Tuesday. Rev. Harwell preached his funeral. He left a wife and two children to mourn his loss. We will say to them to weep not for he is at rest.

Mrs. Kelley is quite sick at this writing.

A certain blue eyed girl was picking black berries the other day and she sat her bucket down and it turned over and spilled nearly all of the berries so I guess she had to pick the berries twice.

DO NOT NEGLECT YOUR BOWELS.

Many serious diseases arise from neglect of the bowels. Chamberlain's Stomach and Liver Tablets are a pleasant and agreeable laxative. They invigorate the liver and regulate the bowels. For sale by Freeman Bros.

A TRAGIC FINISH.

A watchman's neglect permitted a leak in the great North Sea dyke, which a child's finger could have stopped, to become a ruinous break, devastating an entire province of Holland. In like manner Kenneth Nelver, of Vanceboro, Me., permitted a little cold to go unnoticed until a tragic finish was only averted by Dr. King's New Discovery. He writes: "Three doctors gave me up to die of lung inflammation, caused by a neglected cold; but Dr. King's New Discovery saved my life." Guaranteed best cough and cold cure at Wm., Gallaher druggist. Price 50c and \$1.00. Trial bottle free

WATSON'S MAGAZINE FOR JULY

A striking portrait of Andrew Jackson is the frontispiece of the July Watson's; and Mr. Watson's promised biography of Jackson begins in the same number. In addition he contributes his usual quota of editorials, among which he includes a "Political Platform for 1908" Furthermore he supplies a book review and answers a quantity of inquiries in his "Educational Department." Emphatically, as he once declared, he is the Magazine; and yet in the large number of 160 pages room is left for many and various contributors. Conspicuous are Thomas H. Tibbles, Albert Griffin, John C. Reed, Allan L. Benson, Hon. Walter Clark, of the Supreme Court of North Carolina; R. W. Kauffman, and Q. De France. The most valuable articles, outside the editorials, are "The Next Constitutional Convention," "Direct Election of Senators," "Good Life Insurance and Bad," and "George F. Baer, Hessian of Industry." Besides there are several good short stories, verses, sketches and the monthly departments, which are exceptionally well conducted.

MODEST CLAIMS OFTEN CARRY THE MOST CONVICTION.

When Maxim, the famous gun inventor, placed his gun before a committee of judges, he stated its carrying power to be much below what he felt sure the gun would accomplish. The result of the trial was therefore a great surprise, instead of disappointment. It is the same with the manufacturers of Chamberlain's Colic, Cholera and Diarrhoea Remedy. They do not publicly boast of all this remedy will accomplish, but prefer to let the users make the statements. What they do claim, is that it will positively cure diarrhoea, dysentery, pains in the stomach and bowels and has never been known to fail. For sale by Freeman Bros.

Mrs. Mary White Dead.

Died at home of her son J. M. White West Point Tennessee June 4th, 1906. Mrs. Mary A. White aged 86 years 3 months 8 days. She leaves two sons, Dr. A. J. White Texas, and Jas. M. White West Point and grand-children to whom she has been a devoted loving mother. For forty three years she has made her home in Lawrence County, coming from Massachusetts. Truly a mother in Israel has left us. She was interred in the old Lawrenceburg Cemetery beside husband, children and grand-children. Services at home by Rev. J. R. Wiggs and at grave by Bros Jarrett and Kellum.

As we are not the best, we do our work as the best.

GUNSELMAN & KOLLEFRATH, Depot Street.

His Acridurumination.

A decent amount of ignorance seems to me to be necessary to our continued happiness," grumped the Old Codger in his usual pessimistic way. If we knew how different what other people really think of us is from what we think of ourselves, we would retaliate by telling 'em our heartfelt, instead of ostensible, opinions of them, and there would forthwith be wars and rumors of wars. If we understood why the railroads charge the Octopus six and one-half cents for a sixty-six-mile haul and the unsophisticated yeomanry ten cents for a six-mile haul of the same weight. I for me would hardly be civil to the underpaid station agent and actual ly put our disrespectful thumbs to our disreputable noses when the general manager's ornate private rolls by. And if we knew the scope of the graft that the mantle of 'senatorial courtesy' hides from public view our sheepish 'Haw-haw's, when the Honorable Mr. So-and-so comes home to joke and back-slap us into line, would be changed to a long-drawn, triumphant 'Ar-r-r-r' of wolfish glee as the barrel was kicked out from under the statesman's feet and he danced himself to death at the end of his rope. Eh-yah! For the good of the party and in the interest of harmony and our own peace of mind, it's well that we don't learn any faster than just about enough to keep us mildly irritated,"—Watson's Magazine.

BOWEL COMPLAINT IN CHILDREN.

During the summer months children are subject to disorders of the bowels which should receive careful attention as soon as the first unnatural looseness of the bowels appear. The best medicine in use for bowel complaint is Chamberlain's Colic, Cholera and Diarrhoea Remedy as it promptly controls any unnatural looseness of the bowels. For Sale by Freeman Bros.
